LONGSHOREMEN'S LOCAL 4 FEDERAL CREDIT UNION 2017

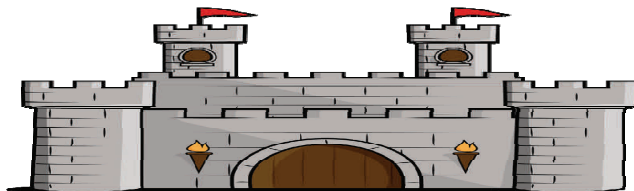

Our 61st Annual Meeting And Doernbecher Auction

Hear Ye, Hear Ye! Let it be known that on the 25th day of March in the year of 2017, our 61st Annual Meeting commenced at the Lodge of Heathman in the town of Vancouver, in the state of Washington.

This year Chuck Atwell was our **Knight in Shining Armor**, and served as our Auctioneer with all proceeds going to the wee lads and lasses at **Doernbecher Children's Hospital**. It was a festive night with tasty grub and grog, followed by the SILENT and LIVE AUCTIONS. It was good to see friends, old and new.

A gracious **Thank You** to all who made donations and participated in our festivities. Your continued support is what makes the 2489 evening possible. If you missed joining us for the revelry this year, put us on your calendar for next year. It's a fun evening for a deserving cause. It's for the Wee Bairns!

In honor of **National Volunteer Month**, we would like to express our gratitude to all our volunteers serving on the **Board of Directors, Credit, & Supervisory Committees.**

Do you have some extra time on your hands? There are many opportunities in our community to volunteer and 3796 would appreciate your time. Many helpful resources may be found on-line.

Is your account Dormant?
Has your account been Escheated?
What you need to know.

Washington State law defines a dormant account as any account that has not had activity for a period of one year. Dormant Accounts are subject to special handling fees, at \$5.00 per quarter.

After a period of three years these Dormant Accounts become "Unclaimed Property". The Credit Union is required by Washington State law to turn all "Unclaimed Property" over to the Department of Revenue. These accounts then become "Escheated. After an account has been "escheated", you must contact the State of Washington to claim your 824 money.

Letters will be sent out to all Dormant Account holders in July, and final notices are mailed in September. On October 31st, all "Unclaimed Property", will be sent to the State of Washington.

While the Supervisory Committee and staff make every effort to contact you before this happens, it is important that you review all your statements. Every financial institution in the State of Washington is required to comply with these same regulations.

How can you activate your account? Come by or call the Credit Union! Making a small deposit or withdrawal is all it takes. If it is an account you are no longer using, perhaps it can be consolidated with another 3942 account. That counts too!!

Visit the Department of Revenue's website at ucp.dor.wa.gov or unclaimed.org.
