**International Credit Union Day
Thursday October 21st, 2021**

Per the Credit Union National Association (CUNA), "Each year we come together to celebrate **International Credit Union Day (ICU Day)**® and raise awareness about what it means for members around the world to have a credit union as their financial partner. This year's ICU

Day theme, "**Building financial health for a brighter tomorrow,**"™ reflects the way credit unions contribute to a brighter future by working to improve members' financial well-being. It is at the heart of the mission and structure of credit unions. The essence of this commitment is reflected in each institution's bylaws and it's something credit unions have been doing for more than 100 years."
